Final defendant sentenced in fatal Woodbury graduation party shootout

STILLWATER, Minn. -- The final defendant in the Woodbury graduation party shooting that killed a 14-year-old boy was sentenced to 20 years in prison on Friday, Washington County Attorney Kevin Magnuson announced.

In February, 26-year-old Enrique Lucio Davila pleaded guilty to aiding and abetting second-degree unintentional murder and second-degree assault with a dangerous weapon in the 2021 shootout that killed 14-year-old Demaris Hobbs Ekdahl. As part of the guilty plea, Davila was sentenced to 240 months in prison with 946 days credit for time already served.

According to the criminal complaint, Davila was part of a group that used guns when confronting Demaris, his brother Davion, and others at a graduation party on the 6100 block of Edgewood Road around 10:30 p.m. on June 5, 2021. Following the confrontation, Demaris, Davion, and their friends left the party and called their stepfather Keith Dawson. Dawson met his stepsons and their friends in Maplewood and encouraged them to return to the party with him to confront the group. Dawson drove his SUV, while the others followed closely behind in a car. When they arrived, Dawson fired several shots before driving away. The car occupied by Demaris and others continued to follow behind as 40 gunshots were fired in their direction by Davila his co-defendant, Xavier Hudson. One of those bullets passed through the back of the car and struck Demaris, who was later pronounced dead from blood loss due to the gunshot wound.

"The shootout at a graduation party that resulted in the murder of 14-year-old Demaris shocked and saddened our community. Today's sentencing marks the end of a three-year process to achieve justice for Damaris," said Magnuson.

"I am grateful to the prosecution team and our law enforcement partners who worked tirelessly to hold all three codefendants accountable for their crimes. Although no amount of prison time can replace the tragic loss of life, it should be clear to all that we are fully committed to bringing criminals like Enrique Davila, Xavier Hudson, and Jaden Townsend to justice," he added.

Both Hudson and Dawson are currently serving prison sentences for their roles in the shootout. Jaden Townsend pled guilty in June 2022 to aiding and abetting second-degree assault and received a three-year prison sentence.

In addition to his prison sentence, Davila was ordered to pay over \$16,000 in restitution. He remains in custody at the Washington County Jail awaiting transfer to the Department of Corrections.

STATEMENT OF PROBABLE CAUSE

The Complainant states that the following facts establish probable cause:

On June 5, 2021, officers responded to a shooting in the 6100 block of Edgewood Road, Woodbury, Washington County, Minnesota. Dispatch reported several people screaming at the scene. Initial reports were that a driver of a white SUV fired shots into a dark SUV. The occupants of the dark SUV fired back which resulted in a fatal wound to a 14-year-old male passenger of a secondary car. Upon arrival, officers observed 20-30 people standing inside and outside of a detached garage. Approximately 40 shell casings were located in the front yard of the home just south of where the party was located. The shell casings were 9mm rounds with three different head stamps. Initial scene investigation found bullet holes in several homes and vehicles south of the incident location.

Officers spoke with Witness 1, who stated she was standing in the driveway when she saw a white Chevy Tahoe turn onto Edgewood Avenue from Woodbine Avenue. The Tahoe was moving slowly and honking its horn. Witness 1 stated the Tahoe pulled up next to a dark SUV parked on the west side of Edgewood Road, just south of the residence. Witness 1 saw two males she knew standing next to the dark SUV. Witness 1 stated she saw the driver of the Tahoe lean over and shoot a gun through the open window of the front passenger door. Witness 1 believed the driver shot 3-4 rounds. Witness 1 stated she next saw gunfire being returned from the dark SUV towards the Tahoe. Witness 1 believed she heard 15-20 shots.

Officers located a white Chevy Tahoe driving north on Century Avenue, close to where the shooting occurred. Officers initiated lights and sirens to stop the Tahoe, but it refused to pull over. The vehicle pursuit ended at Regions Hospital. Four males were inside the car. The driver of the car was identified as KEITH DAWSON (DAWSON). The Tahoe had visible shell casings inside, with shell casings falling out of the car during arrest procedures. Three of the four males were uninjured. 14-year-old victim D.E. was sitting in the rear middle seat of the car and had received significant injuries. Officers learned that medical staff pronounced D.E. dead at approximately 11:12 p.m.

Officers learned that a 2019 Kia Forte was also involved in the shooting. The Forte was located at a residence in Maplewood. Officers went to the Maplewood address and interviewed Victim 2, and Victim 3, who were in the Forte during the shooting. Victim 2 stated he was with Victim 3, Victim 4, Victim 5, and victim D.E. for most of the day. A friend called Victim 3 and invited the group to a graduation party in Woodbury. The group arrived at the Edgewood address between 10 and 10:30 p.m. and planned to stay for 10-15 minutes. Victim 2 stated he saw juvenile defendant X.H., 8/12/2003, and JADEN LAVAN TOWNSEND, dob 1/3/2002 (TOWNSEND). Victim 2 is familiar with both X.H. and TOWNSEND. Victim 2 stated X.H. and TOWNSEND were with a Hispanic male that he did not know. The Hispanic male had a tattoo on his forehead area, as well as a tattoo of a skull on the back of his hand. Victim 2 stated he looked on Facebook and identified the Hispanic male as ENRIQUE LUCIO DAVILA, dob 9/15/1997 (DAVILA).

Victim 2 stated the group wanted to leave the party. As they walked away from the car, TOWNSEND and DAVILA approached. Victim 2 stated DAVILA pulled out a handgun from his waistband, partially covered it with his shirt, and poked the gun into his ribs. DAVILA told Victim 2, "Don't try anything." Townsend then approached Victim 2 and slapped him across the face. Victim 2 stated he did not see Townsend with a gun.

Victim 2 told officers that X.H. was standing next to TOWNSEND and DAVILA. Victim 2 saw a black handgun in X.H.'s pocket. The gun had a magazine that extended about one inch further than a normal magazine. Victim 2 stated he did not know the purpose of DAVILA pulling a gun on him other than to

harass or start a fight.

Victim 2 stated that D.E. called their stepfather, DAWSON, during the incident. The group met DAWSON by the Merit Chevrolet dealership, located close to the location of the party. DAWSON told the group that they needed to go back to the party so X.H. and TOWNSEND would stop messing with them. Victim 2, victim D.E., Victim 3, Victim 4, and Victim 5 followed DAWSON in the Forte back to the Edgewood Address. DAWSON drove alone in the Tahoe.

When they arrived back at the Edgewood address, Victim 2 stated DAWSON drove slowly by a dark Dodge Durango, while they closely followed. X.H., TOWNSEND, and DAVILA were standing outside of the Durango. Victim 2 stated DAWSON fired his gun towards the Durango. Victim 2 stated he tried to get out of the area fast but as he fled, D.E. told him he had been shot. Victim 2 stated gunfire was returned from the area where the Durango was parked. Victim 2 stated "sparks were coming from both sides." Victim 2 drew a picture of the area and where the shots were coming from. The picture is consistent with where approximately 40 shell casings were found by officers. Victim 2 stated he thought he heard two to three guns. As they fled the area, Victim 2 stated they caught up and passed a Dodge Durango on Century Avenue. Victim 2 stated the Durango started chasing them, but they eventually got away. Victim 2 stated he believed TOWNSEND was driving the Durango. Victim 2 saw others in the car was not sure who or how many people were inside. Victim 2 positively identified DAVILA in a photo lineup.

Officers interviewed Victim 3, who stated she saw DAVILA pull a gun on Victim 2. Victim 3 described the gun as black with a green dot laser sight. Victim 3 stated she was in the Forte that followed DAWSON in the white Tahoe. When they arrived back at the party, she saw X.H., TOWNSEND, and DAVILA standing by the Durango. TOWNSEND was standing near the front driver's side, X.H. was standing next to the back passenger side, and DAVILA was near the front passenger side. After DAWSON shot from the Tahoe, Victim 3 ducked and couldn't see who was specifically shooting. Victim 3, stated she saw flashes of gunfire coming from where X.H., TOWNSEND, and DAVILA were standing. Victim 3 stated she did not specifically see X.H. or TOWNSEND with a gun but said they are known to carry guns. Victim 3 said the group transferred D.E. to the Tahoe. Victim 2 and Victim 3 drove away on Century Avenue and came across the Dodge Durango. Victim 3 stated TOWNSEND was driving the Durango and DAVILA was in the front passenger seat. Victim 3 positively identified DAVILA in a photo lineup.

Officers interviewed Victim 4. Victim 4 stated that at the party, he saw X.H., TOWNSEND, and DAVILA with guns. X.H. and TOWNSEND had guns tucked in their pants. Victim 4 told officers he saw DAVILA holding a black handgun with a green laser sight. Victim 4 stated that after DAWSON fired at the Durango, he saw shots coming from the right side of the street. Victim 4 believed more than one gun was being shot. Victim 4 had his head down and could not see who was shooting. Victim 4 positively identified DAVILA in a photo lineup.

Officers again spoke with Witness 1, who stated she was standing by the edge of the driveway at the Edgewood address near the street during the shooting. Witness 1 said she is familiar with X.H. and TOWNSEND. Witness 1 stated she saw a white Tahoe stop in front of a green Dodge Durango parked on the west side of Edgewood Road, just south of the graduation party. X.H. and TOWNSEND were at the Durango when a white SUV stopped by the Durango and fired a gun. Witness 1 said she heard three to four shots before the group and the Durango fired back 15-20 shots. Witness 1 stated she did not see who specifically fired back first but knew X.H. and TOWNSEND were at the Durango.

Officers familiar with X.H. went to his residence. A green Dodge Durango was parked in the driveway. Officers made contact with people inside the residence who stated X.H. and TOWNSEND were not in the home. Officers found a duffel bag inside the garage that contained two 9mm handguns with extended 30 round magazines and a small compact rifle. One of the handguns was a black Glock with a 30 round

extended magazine. The magazine contained nine rounds of 9mm ammo with different head stamps. The other gun was a multi-colored black/brown Glock with a green laser sight. The sight was turned on when the officers seized the gun. The magazine contained five rounds of 9mm ammo with different head stamps. Forensic testing on the guns is pending.

Officers conducted a preliminary assessment of the Tahoe, Forte, and Durango. A full vehicle assessment from the BCA is forthcoming. On the Durango, officers observed 2 bullet holes that entered the driver's side front door. A fragment of a bullet was resting on the lower weather stripping of the front driver's door. Another bullet was lodged in the "B" pillar of the driver's side door.

On the Tahoe, officers observed two bullet holes from the exterior of the car and one bullet hole that appeared to have been shot from inside the Tahoe. The front passenger window was also shattered.

On the Forte, officers observed two rounds close together on the right side of the rear bumper. Another bullet hole was located at the top of the rear window on the passenger side, which likely shattered the rear window. Another bullet hole was located on the rear license plate. This bullet traveled through the trunk and through the back seat cushion where victim D.E. was sitting.

On June 6, 2021, the Ramsey County Medical Examiner conducted an autopsy on victim D.E. The examiner stated that D.E. received a single entrance gunshot wound to the right dorsal torso. A single penetrating wound perforated D.E.'s right lung, heart, and aorta, before exiting the left thoracic cavity. A projectile was recovered from the outer aspect of D.E.'s left upper arm. The medical examiner determined the cause of death to be exsanguination due to gunshot wound, with the manner of death being homicide.

X.H., TOWNSEND, and DAVILA are out of custody and their whereabouts are unknown. A warrant is requested due to the nature of the offense and for public safety.
