County Sheriff

Douglas H. Anschutz
Chief Deputy

On June 30, 2025, Washington County Sheriff deputies were called out to an apartment complex in the City of Mahtomedi for a report of a minor female in distress. Upon arrival deputies found a 14-year-old girl clearly under the influence of drugs. Based on the initial questioning and circumstances surrounding the incident, investigators from the East Metro Human Trafficking Task Force (EMHTTF) were called to conduct further investigation.

EMHTTF Investigators learned that the 14-year-old girl was picked up in Minneapolis and brought to the apartment in Mahtomedi, where it is alleged, she was given drugs and sexually assaulted by two men.

Investigators watched surveillance video showing multiple incidents of the suspect bringing females in various intoxicated states to the Mahtomedi apartment over the prior weeks.

Investigators identified Billy Ray Wiley as the suspect who would transport the juvenile females to an apartment owned by Michael Lewis.

Wiley has been charged with one count of sex trafficking a minor and one count of criminal sexual conduct in the first degree, and Michael Lewis has been charged with two counts of criminal sexual conduct in the third degree.

Washington County Sheriff Dan Starry said “We are dedicated, along with our local public safety partners, to combat sex and human trafficking within our communities. We do this by vigorously investigating and charging those who exploit juveniles and adults in Washington County”.

Washington County Attorney Kevin Magnuson said “It’s heart breaking to know these men brought a 14-year-old girl into our community and sexually assaulted her. Our thoughts and prayers are with the victim and her family. We are prosecuting this case to the further extent of the law. Our human trafficking taskforce is located here in Washington County to ensure that we continue to be vigilant and keep depraved sexual predators out of our neighborhoods.”

If you or someone you know is in immediate danger of being trafficked, call 911. To report a suspected trafficking situation, call the EMHTTF at 61-430-7825.

STATEMENT OF PROBABLE CAUSE

The Complainant states that the following facts establish probable cause:

On June 30, 2025, officers were dispatched to the Piccadilly Apartments located at 70 Mahtomedi Avenue on a report of a juvenile female dancing in the parking lot and screaming "no no no." The reporting party, Witness 1, stated that an unknown male had dropped her off about four hours prior.

Officers arrived on scene and observed a female, later identified as 14-year-old, victim 1. Victim 1 was under the influence of drugs and could not control her movements. Victim 1 told officers she was going home and started digging through her purse. Officers observed a glass pipe with what appeared to be burnt residue and a white powdery substance inside the purse.

Victim 1 stated she was there to see a friend. At the same time, a male, identified as Michael Lewis, dob 6/23/1956, stepped outside of the front door of the apartment. Victim 1 pointed to Lewis and said that she was with Lewis and another one of his friends. Officers spoke to Lewis, who stated that he did not know Victim 1. Officers noticed Lewis' eyes to be bloodshot and watery. Lewis also entered and exited the building several times attempting to talk with officers.

Lewis stated that his veteran's affairs counselor named "John" had just gone to his apartment to give him cigarettes. Lewis said that a few minutes after John left his apartment, victim 1 showed up outside the apartment complex. Lewis said he believed victim 1 was with John but said he was just speculating.

EMS arrived on scene. Officers searched Victim 1's purse and found several unopened condoms and alcohol prep wipes. Several items of drug paraphernalia were located in the purse. EMS transported victim 1 to the hospital.

Officers again spoke with witness 1, who stated that around 6 pm, a Mazda CX-9 arrived at the apartment complex, driven by a large male. Witness 1 said she watched the male and victim 1 go inside the building and heard them enter room 234. Witness 1 said the male stayed inside the apartment until approximately 9:45 pm before leaving without victim 1. Witness 1 said that she had observed victim 1 and the male at the apartment complex before.

Officers alerted investigators from the East Metro Human Trafficking Task Force (EMHTTF), who met with victim 1 while she was in the emergency room. Victim 1 stated she attended school online and was going into eighth grade. When asked how she knew the man who brought her to the apartment complex, she stated that he was a "friend" who often drove around her neighborhood. Victim 1 stated that her friend, "Billy" typically picked her up near an Aldi's a few blocks from her apartment. Victim 1 said on June 30, Billy picked her up in a Mazda. Victim 1 told officers that Billy took her to different places and told her she "needed to shower." When asked what happened inside the Mahtomedi apartment, victim 1 said that "Billy" walked her to the apartment where another man was inside. Victim 1 identified Lewis as the man inside the apartment after looking at a photo. Victim 1 said that "Billy" gave her crack cocaine. Victim 1 nodded her head yes when asked if anything sexual happened in the apartment. Victim 1 said that Billy left her alone in the apartment with Lewis and by the time she ran out to look for him, he was already gone. Victim 1 stated she was tired and did not want to speak any longer.

Officers identified the male as Billy Ray Wiley (3/8/1973). Officers obtained surveillance of the apartment. At 6:36 p.m. footage shows Wiley arrive at the apartment in a Mazda CX-9 with victim 1. Both entered the vestibule to get buzzed into the apartment complex. Victim 1 is carrying two small bags, including an Aldi's shopping bag. Wiley uses the security pad to buzz room 234. Wiley and victim 1 then enter the apartment

building. At approximately 10:04 pm, Wiley exits the apartment and drives away. A few minutes later, victim 1 runs out of the building exhibiting very erratic behavior and uncontrollable body movements. Victim 1's actions and movements were drastically different from when she arrived at the apartment.

On July 7th officers again spoke with victim 1, who was noticeably in better condition than on June 30th. Victim 1 told officers that Wiley would find her walking around the Aldi store by her house and just pick her up. There was no time or location planned, Wiley would just find her. Victim 1 stated that when Wiley picked her up, she knew she would be expected to engage in sexual acts in exchange for money and drugs. Victim 1 stated that when Wiley brought her to Lewis' apartment on June 30, 2025, Lewis performed oral sex on her, and she performed oral sex on Wiley. Victim 1 said the sexual acts took place in the bedroom, which had white walls and white sheets. Victim 1 stated when you walked into the apartment the kitchen was directly in view and there was a large table in the kitchen. Victim 1 stated that she was given drugs before and after the sexual assaults. Victim 1 said that Wiley left before giving her money but that he usually gives her "enough" money.

Officers were provided additional surveillance footage of Wiley transporting young females to the Piccadilly Apartments. On June 28th 2025, Wiley arrived at the apartments in a different car with two younger females, the first one identified as victim 2. Victim 2 walked into the apartment and did not appear to be under the influence of any intoxicating substance. The second female, unidentified victim 3, had extreme difficulty getting out of the car and appeared to be under the influence of drugs. Wiley assisted victim 3 inside the apartment entrance. Victims 2 and 3 were carrying multiple bags, including an Aldi shopping bag. Wiley entered the apartment vestibule at 8:23 pm with both victims and dialed Lewis' room. Wiley and the victims were buzzed into the apartment building. Several hours later Wiley and victim 3 exit the building and get into Wiley's car. Victim 2 is later seen on surveillance in the apartment stairwell bent over, drooling, swaying, and appeared under the influence of drugs. This appearance was notably different from when she arrived at the apartment. Officers were called out to address Victim 2, who was found sleeping in a resident's vehicle in the underground garage. Victim two got out of the car and went up to room 234. Victim 2 was not located when officers arrived. Investigation is pending.

Officers located Wiley's phone number and obtained a tracking warrant. On July 8, 2025, pings from the warrant indicated that Wiley was in the vicinity of I-694 and White Bear Avenue, moving towards the Piccadilly Apartments. Officers located Wiley driving the car. When Wiley drove by the Piccadilly apartments, officers initiated a traffic stop and placed Wiley under arrest. Inside the car was a 17-year-old juvenile female, A.E. In a spontaneous statement, Wiley asked an officer if it was illegal to "pay for pussy." Officers searched the car and found two white papers with cell phone numbers, 13 unopened condoms, an iPhone, and a clear grey pen tub with a white chystalline substance inside that weighted 1.7 g. NIK testing is pending on the substance.

Officers also arrested Lewis and searched his apartment. Lewis' apartment matched the description given by Victim 1. Multiple items of drug paraphernalia were located around the apartment.

Officers interviewed A.E., who stated that Wiley picked her up earlier in the day in the area of Dale Street and University Avenue in St. Paul. A.E. stated that Wiley pulled up right next to her and asked her what she needed. He then gave her a cigarette and asked if she wanted to go for a ride. A.E. said they drove around for several hours and drove to numerous apartment complexes. Wiley told her that she was pretty and had a nice body. A.E. told officers that she told Wiley to drop her off on several occasions, but he kept driving.

Wiley got food for A.E at Culvers. Wiley told A.E. that they could eat at his apartment in Mahtomedi. A.E. told officers that she felt uncomfortable and said she just wanted to eat in the car. Just before pulling into the Piccadilly Apartments, Wiley said he needed to stop at Holiday gas station. A.E. said officers pulled them over shortly after. A.E. told officers that many girls who are struggling with addiction hang around Dale and University. A.E. said that Wiley is known to pick up a lot of girls in the area. Officers showed A.E. a

photo of Victim 2, who she positively identified.

Investigation is ongoing as results from phone search warrants on Wiley and Lewis' devices are pending. Medical information from victim 1 is pending. Investigation on further victims is pending.
