

Welcome

Construction Open House
CSAH 15/14 Realignment Project
May 2, 2018

Project Overview

- Development in the vicinity of Manning Avenue (CSAH 15) is expected to continue, resulting in additional pressure on the existing transportation system. The goal of the Manning Avenue Corridor Management and Safety Improvement Project is aimed to improve safety, capacity, and mobility along the corridor.
- Construction of the first phase at CSAH 15 and CSAH 10 was completed in 2016.
- The second phase of the project is the realignment of CSAH 15 and CSAH 14 near the Washington County Fairgrounds. The project will begin in May 2018.
- Phase 2 project improvements include constructing divided highways on the new alignments and adding signalized intersections at CSAH 14 and Stillwater Way (Old TH 5).
- Project partners include Washington County, the City of Lake Elmo, Baytown Township, and MnDOT.
