

GENERAL REMINDERS ABOUT THE SALE OF TOBACCO

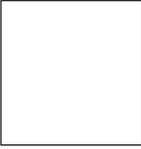

Tobacco includes cigarettes, cigars, blunt wraps, papers, e-cigarettes, e-juice, smokeless tobacco, shisha and other tobacco-related products.

- Flavored, non-refillable e-cigarette pods may not be sold.
- It is illegal to sell tobacco products, including electronic cigarettes, to anyone under the age of 21.
- Violation of federal, state, or local laws could result in minimum fines of \$300 - \$1,000 including a minimum 7-day suspension of license. Always check your local laws, as fines may be higher.
- Tobacco products cannot be sold from a vending machine.
- All tobacco products must be kept behind the counter or in a locked cabinet.
- Free training materials are available at www.stopsalestominors.org.

For additional information, call your local licensing authority or Washington County Dept. of Public Health & Environment at 651-430-6655.

 **Tip: Post this postcard in the breakroom or near the checkout counter.**
