

# 2026 Sewage System Operating Permit Annual Commercial MSTs Renewal Application

The operating permit for the sewage treatment system serving the property listed below is expiring. Please renew by completing and updating your information on this one page **Renewal Application** and making a payment to Washington County. An electronic option is available by copy and pasting the link below and logging into RT Vision. <https://washingtonseptic.onegov.rtvision.com> You will be prompted at the end to pay with credit card.

**The operating permit will be reissued upon receipt of this application, all required reporting, and payment of the permit fee.**
