### Comment Themes

- Heavy traffic and high speeds make it difficult to turn onto or off of Manning Ave during peak periods
- Speeds and traffic volumes result in safety concerns, including unlawful passing
- Some people suggested roundabouts at specific intersections
- Support for spot improvements to be constructed soon if possible
- Some people made suggestions for intersection closures and alternate access
- Requests for additional signage
- Desire for pedestrian/bicycle trail
- Some concern about property impacts with potential future roadway expansion and trails
