# Highway 96 Corridor Study

Join us for an Open House!

Washington and Ramsey Counties, in partnership with MnDOT, are leading a corridor study for the 10+ mile segment of Highway (Hwy) 96 between Hwy 61 in White Bear Lake and Hwy 95 in Stillwater. The purpose of this study is to better understand existing conditions and corridor needs to help develop a long-term plan for improvements that has stakeholder and public support.

**Please join us for an Open House at The Gasthaus Bavarian Hunter on September 18th to:**

- Learn about the study scope, schedule, and goals
- Share your input on existing issues and opportunities along Highway 96 to inform what problems we are trying to solve with potential improvements
- Talk with project staff!
