Project website:

Washington County, in partnership with Ramsey County, MnDOT, Mahtomedi, and White Bear Lake, has a roadway improvement project planned for Century Avenue North/East County Line Road from Interstate 694 to County Highway 12/County Road E/Wildwood Road.

Following Open House #2 in March 2024, the project team further analyzed and engaged stakeholders on improvement alternatives to reach a single recommendation. The recommended improvements will be on display at a third public open house on **Monday, December 16 from 4:00—6:00 p.m** at **Century College—West Campus**. (You will be receiving our mailer correspondence for this event, if you haven't already.)

Mahtomedi residents adjacent to Century Avenue North are specifically requested to attend in order to review project improvements in the residential area with the project team. If you are unable to attend the event, please reach out to the Project Manager if you are interested in receiving this information directly.
