Washington County, in partnership with the City of Forest Lake, has a rehabilitation project planned for County Highway 2 (Broadway Avenue) from the I-35 northbound ramps to Trunk Highway 61 (Lake Street).

Washington County has hired a contractor for project construction, which will occur this spring (2025). Join us at a public open house to learn more about construction staging and what to expect during construction.

If you are unable to attend the in-person house, materials from the open house will be posted on the project website, linked below, following the event. Construction updates will be posted on the project website as well.
