Highway 96 Corridor Study

Join us for an Open House!

Washington and Ramsey Counties, in partnership with MnDOT, are leading a corridor study for the 10+ mile segment of Highway (Hwy) 96 between Hwy 61 in White Bear Lake and Hwy 95 in Stillwater. The purpose of this study is to better understand existing conditions and corridor needs to help develop a long-term plan for improvements that has stakeholder and public support.

Please join us for an Open House at Mahtomedi High School on September 24th to:

- Learn about the study scope, schedule, and goals.
- Review potential improvement alternatives and provide your feedback.

There will not be a formal presentation—drop in anytime from 4 to 6 p.m.
