539 page visits

KEY TAKEAWAYS

- Support from township and mostly positive feedback
 - Preference for recommended concept versus others shared at previous open house
 - Excitement for improvements
 - Appreciated limited impacts to the park
- Construction questions and concerns
 - Top of mind for many following recent County Highway 5 bridge construction
 - Curious about duration
 - Questions and suggestions about staging/traffic control
- Request to design the intersection lighting to minimize light pollution
- Request to make a trail connection to the park gate
